

Discover Iron County's excellent cross country ski trails. The Montreal Trails pass by the remnants of the Montreal Mining operation and provide a variety of options to ski the right distance and difficulty for your ability. For the ultimate in scenic beauty and challenging skiing, the Uller Trail surpasses all others, winding through the Penokee Range. Experience the Mecca Trails near Mercer, with the rolling terrain, vistas of Little Turtle River & Flowage and a variety of vegetation from aspen to pine plantation. They offer an annual (candle lit) ski.

While visiting Iron County, experience our Canoe/kayaking, waterfalls, historic sites, mt. biking, hiking, fishing, Lake Superior and excellent dining and lodging.
